REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

This is a continuation of application No. 10/320,084, now abandoned. In the preliminary amendment, applicants canceled claims 1-55 and added claims 56-58. Claim 56 recites only two species from a genus of compounds in the parent. A structure search of these two species did not result in the finding of any prior art. Therefore, these two compounds and their pharmaceutical compositions and methods of use for treating osteoporosis are deemed to be novel.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
